Step 2: Preliminary Sheet (DEVELOPMENT) (10 marks)

This sheet should include evidence of **significant further development** of these ideas. **The work presented on your preliminary sheet should not be a direct copy from your preparatory sheet.** You may use annotated sketches to illustrate your developing ideas with particular reference to the visual, functional and material considerations relevant to your chosen question. In addition to your sketches of your developing ideas, you should show your final design proposal which you will then make. **You must work directly on to your A2 sheet using sketches only, in colour if desired.** Work on one side of your A2 sheet only.

Text (a)	Text (b)
<p>When night slinks, like a puma, down the sky, And the bare, windy streets echo with silence, Street lamps come out, and lean at corners, awry, Casting black shadows, oblique and intense; So they burn on, impersonal, through the night, Hearing the hours slowly topple past Like cold drops from glistening stalactite, Until grey planes splinter the gloom at last; Then they go out.</p>	<p>Where dips the rocky highland Of Sleuth Wood in the lake, There lies a leafy island Where flapping herons wake The drowsy water rats; There we've hid our faery vats, Full of berrys And of reddest stolen cherries. Come away, O human child! To the waters and the wild With a faery, hand in hand, For the world's more full of weeping than you can understand.</p>
<p><i>Adapted from Street Lamps by Philip Larkin.</i></p>	<p><i>Adapted from The Stolen Child by W.B. Yeats.</i></p>
