# Instructions to candidates

You are allowed to use colour and any suitable media: pencils, pastels, crayons, pen and ink, paints, markers, or any combination of these.

Do not use spray fixative on your artwork.

If you wish to use coloured drawing sheets for any category, they must be blank and must be signed by your superintendent prior to the examination on the day to verify that they are blank.

Drawing sheets must not exceed A2 size.

Ensure that you have your correct examination number clearly shown on all your drawing sheets.

The item chosen from either Category A or Category B must be clearly identified by title name on your drawing sheet.

The Natural Forms and Man Made Forms examinations will both begin at 9.30am and end at 10.30am.

There will be an interval of 30 minutes duration between the end of your first choice examination and the commencement of the Human Form examination which will begin at 11.00am and end at 12.30pm.

The time allowed for the drawing of the Human Form is 90 minutes which includes all rest periods for the live model.

During the examination the superintendent will return to you the State Examinations Commission envelope containing your 2D project work along with your 3D item.

When all sections of the examination are completed the two drawing sheets must be placed in the envelope along with the rest of your 2D project work.

Check that the contents of the envelope are updated to include your two drawing sheets and verified on the outside of the envelope.

The envelope must then be sealed **in the presence of the superintendent.**

3D work must be placed on top of the sealed envelope.

**It is an offence to re-open a sealed
